September 2019

## Watch for Your New User-Friendly Annual Rate Statement

Your new annual rate statement is coming this October.

We've improved the annual rate statement to help you better assess your performance. It now features detailed and customized information that's more targeted to your business. This tailored information will help you see how you measure up against your peers and view comparative data that places you on a scale among rates for similar businesses.

You'll notice a new look and at-a-glance graphics with information that's

easier to understand and illustrated in a user-friendly way.

With you as the customer in mind, we've designed the new statement as a tool to help you assess your WCB performance and keep your future costs down. We want to help you enhance your understanding of your rates and show you the value of your coverage with the WCB.

## Understanding Your Responsibilities

All participants in the workers compensation system have responsibilities under The Workers Compensation Act, regulations and WCB policies. To help employers better understand their responsibilities, the WCB offers a Compliance Self-Evaluator tool. By answering a series of short questions, you can quickly get a snapshot of employer obligations and how to implement them.

"We want employers to call us when they've identified an area that needs improvement or where more information is needed so that we can help them," said Brad Janzen, Director of Compliance Services. "Our preference is to work collaboratively with our customers to ensure legal requirements are being met.

Find the Compliance Self-Evaluator at [wcb.mb.ca/compliance-self-evaluator](http://wcb.mb.ca/compliance-self-evaluator). Answering 'No' or 'Uncertain' to any question means there's an opportunity for improvement. For help in meeting

your obligations, or if you have questions, call Compliance Services at 204-888-8081, 1-844-888-8081 or email [Compliance@wcb.mb.ca](mailto:Compliance@wcb.mb.ca).

## TAKE OUR KIDS TO WORK DAY IS NOVEMBER 6, 2019.

**We all have a part to play in taking our kids to work – and bringing them home safely.**

This year's Take Our Kids to Work Day is Wednesday, November 6, 2019. This day, recognized annually, provides Grade 9 students with an opportunity to explore careers and workplaces in Manitoba.

At SAFE Work Manitoba, we are committed to ensuring this opportunity is a positive and safe experience for students and for workplaces. Every workplace has hazards—and the risk of a work-related injury is greater for new workers and visitors who may not have received an orientation to the workplace hazards and injury prevention.

For Take Our Kids to Work Day, schools, employers, parents and students can work together to ensure kids have a productive, educational and, most importantly, injury-free day in the workplace.

SAFE Work Manitoba offers resources to help keep kids safe when visiting or working in a workplace. Find these resources at [safemanitoba.com/News/Pages/Take-Our-Kids-to-Work-Day-.aspx](https://safemanitoba.com/News/Pages/Take-Our-Kids-to-Work-Day-.aspx).
